Rider Registration Form

Jerry and I are looking forward to hosting Dwight and everyone at our place for 3 days of fun, roping and riding. Dwight is sure enough a talented roper and does it every day! He is the real deal. He is also a very calm teacher that can help you perfect your & your horse's position to improve your shots.

We will have coffee on each morning for anyone that would like to join us at the house. We are black coffee drinkers so please bring your own creamer if you need it. We encourage everyone to gather together for all meals to visit and enjoy each other's company. We will be hosting all meals starting with breakfast Friday 3/28 ending with lunch Sunday 3/30. (Please let me know if you have any food allergies and I will do my best to make accommodations for you.)

We will have stalls available for your stock. You are welcome to bring more than one horse, but we may not be able to provide pens for 2 horses unless they can go together. Please contact us ahead of time to reserve your stalls.

This class is open to all levels of riders and ropers. Please remember this is not a horsemanship class and although Dwight can help with positioning and offer advice, your stock should be comfortable having a rope thrown and dallied. This is a clinic to work on you and your shots, not a troubled horse.

Please read all info below and contact me if you have any questions!

Thank you!

Jana

- **Registration (first day only) 8-8:30 am *Class starts promptly each day at 9 am**
- Please check in before you mount. You are welcome to warm up after checking in. There will also be time to warm up after the start if needed.
- Please be sure that your horses are up to date on their vaccines!!
- We recommend bringing at least one rope and a breakaway. The Hero Breakaway honda is a great option that can go on almost any rope with a standard honda. The NRS Neck Breakaway Honda is great if you have a separate breakaway rope. Please note that you are welcome to bring a reata if you have one.
- If using the pens, please bring your own water bucket, feed, we'll clean your stalls each day.

Rider Registration Form

- Dry camping is available and included with your stall. There is an outhouse close to the arena. We ask that you please do not use your generator between the hours of 10pm-6am.
- Dogs can be allowed, but discouraged especially if they are not well mannered. And they **MUST BE ON A LEASH OR TIED AT ALL TIMES**. We have chickens that roam during the day and a lot of stock on site. We have mules and donkeys and if you are not aware they do not always appreciate dogs, especially dogs that they are not familiar with. It is out of safety for our stock and your dog that we require them to be contained. There is plenty of desert for you to take them on a walk or let loose.
- Physical location is **6868 Coyote Trail, Oak Hills Ca 92344**
- GPS does pretty well with directions, but I would follow directions below from freeway. GPS will bring you to the front of the house to a driveway we do not use.
 - From 15 North/South exit Rancho head east.
 - Go over Railroad Tracks and at next stoplight Cataba turn right.
 - Dead end into Farmington make a Left
 - Go about 300 feet and pavement turns into dirt.
 - Make right along side oil field pipe and first left down lane.
 - We'll be there to help with parking. (Easy in and out and plenty of room for trailers.)
- If you turn onto Coyote from Rancho make the first right at T onto Farmington. Bad street sign at Coyote and Farmington. Our place is the first driveway on the left. The only plus side if you get turned around is that most of the roads connect in a grid and are easy to maneuver.
